CATECHIST SUPPORT IS NEEDED

We REALLY need some extra help with a few of our larger classes...Can you come in and just be a presence to help our catechists effectively teach? No weekly preparation needed. We simply need your presence and willingness to help offer discipline support! Many options are available...maybe you can help for a month, or for a half year. Please let me know if you have some availability—ASAP. Julie Kleindl 442-5803 or jmkleindl@yahoo.com

MISSION TRIP MEETING

Sunday, November 20, 2011

7:00p.m.

Held in the Social Hall

Come and hear more about the plans for our mission trip to Kansas City, KS in July of 2012! We will have some youth that went to New Jersey at the meeting to share their experiences. We will also begin to collect trip registrations from youth participants and talk about costs and other plans for the trip. We are collaborating with St Joe's, Waconia for this trip and we will be taking a coach bus together. Get on the BUS with US...space is limited!
